An exclusive invitation to lead the future of business

Our dream is a world led by authentic and responsible leaders who can find their voice and inspire others to find theirs.

OUR DISTINCTIVE EDGE

1

Access to a unique network of recognized leaders and researchers

2

Programs tailored and validated through personal leadership experiences and sustained by research.

3

Holistic leadership development balancing professional success with personal fulfilment

Our Institute stands out by blending psychological insights with experiential learning for real-world challenges.

With active participation and involvement from seasoned leaders, our holistic approach drives long-term transformation and fosters inclusive leadership for sustainable impact.

OUR FIELDS OF ACTIVITY

1

Personal Transformational Experiences

“Those who cannot change their minds cannot change anything.” G. B. Shaw

2

Organizational Interventions

“If you want to truly understand something, try to change it.” Kurt Lewin

3

The Executive Fellowship

“The stronger person is not the one making the most noise but the one who can quietly direct the conversation toward defining and solving problems.”
Aaron T. Beck

4

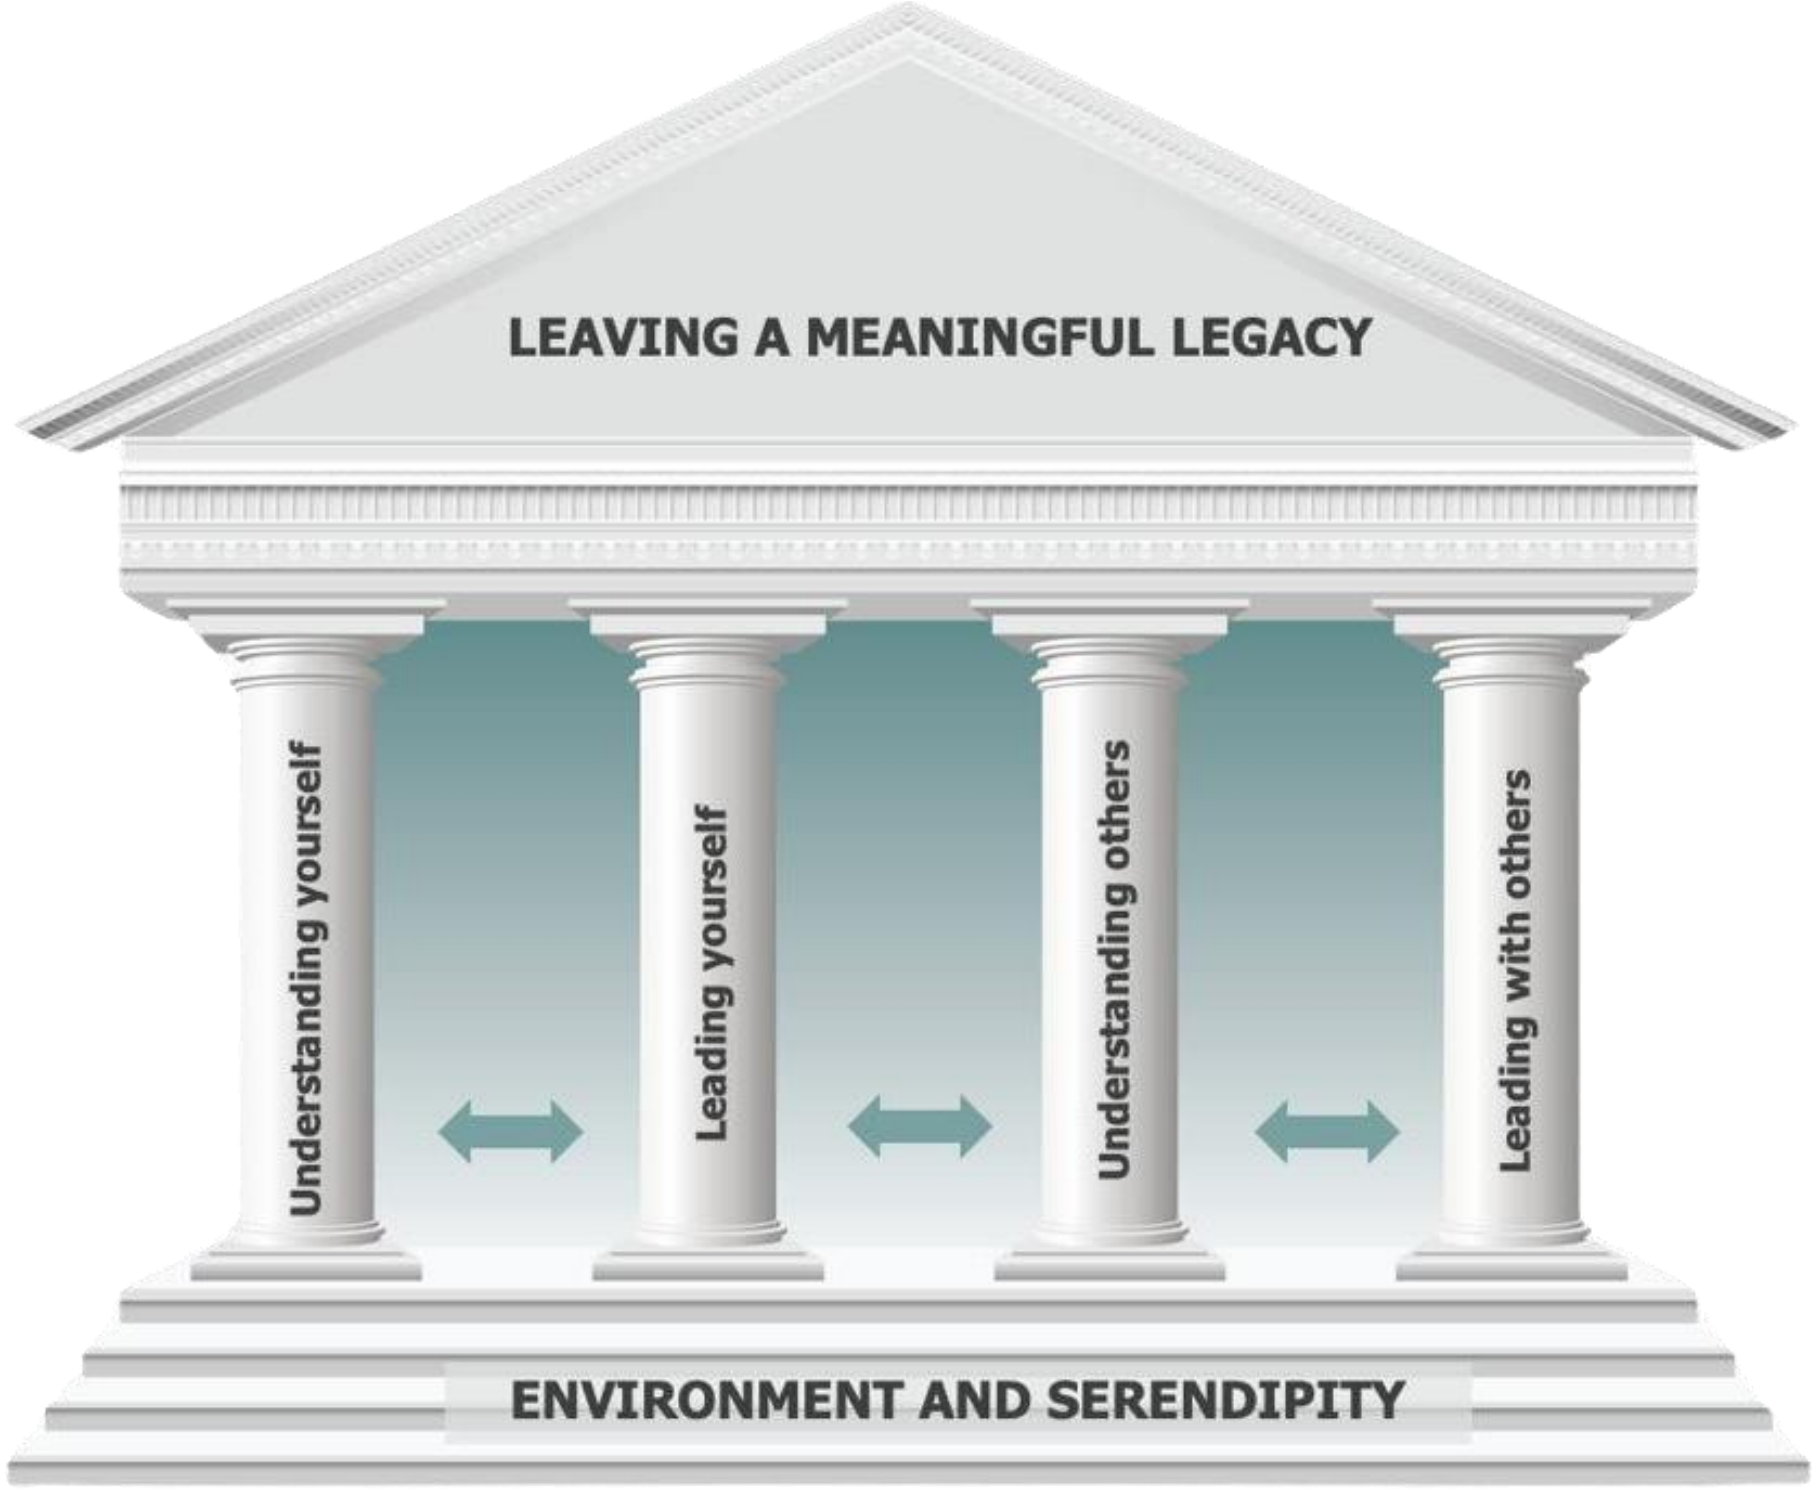

Applied Research

“Somewhere, something incredible is waiting to be known.” Carl Sagan

OUR LEADERSHIP MODEL

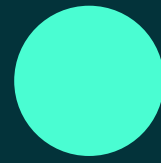

Perennial dimensions of leadership

Future leadership dimensions

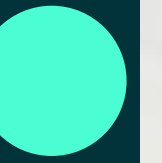

Becoming a Leader

This program, tailored for students and aspiring leaders, seeks to unlock their leadership potential. Experiences that promote self-reflection and personal growth ignite a passion for leadership and guide participants toward adopting an ethical approach in their journey.

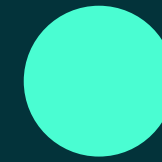

PERSONAL TRANSFORMATIONAL EXPERIENCES

Personal Advisory Board

Gain exclusive access to seasoned leaders from diverse industries, regions, and backgrounds, with a program tailored to individual's circumstances.

Influence and Inspire

This personal transformation customized programs for experienced leaders aim to break through stagnation, achieve further advancement, and create a lasting legacy. We engage a diverse audience of leaders, developing their personal and professional abilities, preparing them to face the future dimensions of leadership.

"Leadership is not about being in charge. It is about taking care of those in your charge." Simon Sinek
